

Amendment to the Abstract:

The Abstract is entered on a separate page. An abstract has been added on a separate page as required by 37 C.F.R. § 1.72(b). The enclosed abstract is the same as the abstract on the cover sheet of the published International Application PCT/GB2004/001941 except that the reference numbers have been deleted and the trim tab controller has been differentiated from the mode change controller.
